## PROFESSIONAL SUMMARY

A Full Stack Web Developer with hands-on experience in creating dynamic functional web pages and deploying. I intend to be a part of an organization where I can constantly learn and develop my technical and management skills and make the best use of them for the growth of the organization. I look forward to establishing myself by adopting new technologies as well.

## PROJECTS

### SOCIAL MEDIA WEBSITE

- It's a clone of an American social question-and-answer 'Quora' website that allows to ask questions, get useful answers, and share what you know with the world.
